### ACTIVITY 4.1: RESEARCHING POLITICAL PARTIES

My political party: \_\_\_\_\_

With your group, research the following information using political party websites, advertisements and social media posts.

- What is the party's slogan and/or key messages?
- Who is the party leader?
- What are the party's major ideas or promised actions?
- Who seems to be the target audience of the party?
- What is the party's vision for Saskatchewan?

Using the information collected, create a presentation about your political party.

Suggested elements:

- Party logo
- One main slogan or message
- Three social media posts that represent the party's vision or top priorities
- Two images of the party leader (taken from social media or the party website)
- Summary of three major ideas or proposed actions
- Analysis about who will be impacted by the three major ideas
