

Dear Parent/Guardian,

This year our class will be using Seesaw (<http://seesaw.me>), a secure online journal where students can document what they are learning in class. Your child will be able to add the things we work on (including photos, videos, worksheets, drawings and voice recordings) to their Seesaw journal and we can share them privately with you and family members you select to view and comment on. **You will only have access to your child's learning journal and will not be able to see the journals of other students in the class.**

In order for your child to use Seesaw, certain personally identifiable information – like the student's name, photos, videos or voice recordings – may be collected. Seesaw has a robust privacy policy (<https://web.seesaw.me/privacy-policy>) and is committed to never share or sell your child's personal information or journal content. Please review this policy before signing.

We hope that your child will enjoy using Seesaw to document and share their learning this year. It is an opportunity to get a window into the classroom and view your child's learning journey on a regular basis. If you choose not to consent, we will use other ways to share this learning with you.

Please note that **Seesaw does not reside within Saskatoon Public School Division nor is it controlled by Saskatoon Public School Division.** Your written consent to your child's use of Seesaw is required.

If you have any questions or concerns, please feel free to contact me.

Sincerely,

I have read this consent form and understand that my child's personal information (first name, picture) as well as evidence of learning such as documents, photos, videos, comments, and other educational artifacts may be collected, used and disclosed for educational purposes in the Seesaw platform. Please check (✓) to give your consent.

I consent to:

- my child using Seesaw this year to document and share their learning with our family.
- to sharing my child's visual image in group photos with other families in our class on the Seesaw platform.

Student Name: _____ Date: _____
